- A. The Children animate the Sunday Mass should there be a 5th Sunday, unless notified before-hand.
- B. Should there be any change in a particular weekend where the BEC is not required to animate Mass as scheduled, it is recommended that the BEC forego their turn, rather than allocate them the following weekend, as this will involve a great deal of reshuffling OR 2 BECs (of the same Zone) will jointly animate the Mass.
- C. If there is a change, the BECs involved will be given sufficient notice.
- D. If there is a need for a swap, the BECs will make their own arrangements and inform Adrian and Audrey accordingly.
