Dear BEC & Ministry Leaders,

**THANK YOU AND A SPECIAL REQUEST**

A big thank you to all BEC & Ministry Leaders for your determination, commitment and for being steadfast towards the growth of the BECs, Ministry and our Parish Community. The Parish Pastoral Council and I sincerely appreciate your commitment and we know it will definitely be a challenge to find new leaders to continue all your good works. Nevertheless, we humbly invite you to gently seek out in your BEC families and Ministry those who can consider our call for new leadership in the BEC, Ministry and Parish. Please do continue your good works and we believe God will positively touch and bless you abundantly as you empower others to be leaders of the future especially our young and youths.
